KUCV (Lincoln, Nebraska)

(000024)

Scope and Content

KUCV was started by Arthur Hauck, chair of the Speech Department, in 1962 as a five-watt AM station on the fifth floor of the old College Building with the call letters KVUC (Kampus Voice of Union College). After the purchase of a ten-watt Gates transmitter KUCV-FM began operation at 91.3 megahertz in November 1968. Originally programming was of a religious nature, but in 1979 plans were made to change to a classical music format. Union College's financial struggles of the 1980s led to the station being transferred to a community group. Today KUCV operates adjacent to the University of Nebraska-Lincoln's east campus as the Lincoln radio station of Nebraska Educational Telecommunication (NET), a part of the National Public Radio network.

This collection contains correspondence, issues of two KUCV publications, and other miscellaneous materials.

The arrangement of the collection has been done by the Union College Library Heritage Room.
