These requirements are in accordance with the current bulletin, and any changes are listed on the Union College website and in published addendums.

EXPERIENCE A FAST TRACK TO A NURSING CAREER

Interested in a career in nursing? Completing a Bachelor of Science in Nursing degree at Union College will prepare you to take on the challenges and reap the rewards of a career in health care.

Union College offers:

- **Capital city with a small-town feel.** Lincoln is the capital of Nebraska, so there's plenty to do, but without having to fight all the traffic.
- **Local clinical opportunities.** Complete all your clinical rotations right here in Lincoln starting your first semester in the nursing program.
- **No waiting list.** We admit a new class every fall and spring, which means you can start nursing classes as soon as your prerequisites are complete.
- **Get a job right away.** Nearly all of our graduates pass their NCLEX-RN® on the first try, and our strong relationships with many hospital systems mean our graduates are in high demand around the country.
- **Small class sizes for individualized instruction.** Our low student-to-teacher ratio means you get more one-on-one time with professors.
- **Partnership for success.** Our nursing faculty want to partner with you to help you succeed. They will be by your side every step of the way.
