

Union College Parking Regulations

The regulations herein are the official Union College parking regulations. These regulations are deemed necessary to facilitate the safe and orderly conduct to College business.

Parking on the campus of Union College or on properties owned, leased or contracted for College use is not a right, it is a privilege. The College, through its Board, is empowered to establish parking and traffic regulations and to provide penalties for violation of them. All faculty/staff or students parking a vehicle on Union College controlled property, must register that vehicle with Student Services.

LPARKING AT UNION COLLEGE

The college provides parking within walking distance of all campus buildings. Not all who desire to will find a space right next to the building of their destination. When parking your vehicle, park within the designated striped lines. Parking outside these lines will result in a violation. In permitting campus parking, the college assumes no liability in the event of damage to or loss of the vehicle or its contents. Students and faculty / staff should observe signs for appropriate parking areas. Every student and faculty / staff who parks a car on campus is requires to have a registration tag in each car driven to campus.

VISITOR PARKING

There are designated parking spaces for visitors, although they can park in any empty designated parking space. Vehicles registered to faculty / staff or students parking in visitor parking will be ticketed.

FACULTY/STAFF PARKING

The area immediately to the West side of Woods Auditorium is reserved parking for faculty / staff. A special tag is required, otherwise the vehicle will be ticketed. Faculty / staff are encouraged to respect the student parking behind Rees Hall, and to park in other parking areas.

OPEN PARKING

Except for a few spaces, the College adheres to an open parking philosophy. Faculty / staff or students may park in any space provided, with the above mentioned exceptions.

II. Definitions
